

The following ak-mak products can be wetted: Round Cracker Bread—all three varieties (Whole Wheat, White with Sesame Seed, and White with no Sesame Seed); Square Rollup; Country Style Whole Wheat; Country Style White Flour.

Wetting Instructions

Step 1

Remove needed amount of Cracker Bread from the package.

Step 2

Wet both sides of Cracker Bread at the water tap. Run either cold or warm water over the sheet of Cracker Bread.

Step 3

Place damp sheet in a plastic resealable bag and close up. Remove Cracker Bread when it is soft and pliable.
